

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

AFFINITY LABS OF TEXAS, LLC,

Plaintiff,

v.

SAMSUNG ELECTRONICS CO., LTD., *et al.*,

Defendants.

Case No.: 13-MC-80209 YGR

ORDER RE: CONDITIONAL TRANSFER AND
ASSIGNMENT OF CIVIL CASE NUMBER

On September 18, 2013, the Eastern District of Texas entered an order conditionally transferring the above-styled case to this Court, to become effective the day the Texas court entered its claim construction order. The Court is apprised that, on June 4, 2014, the Texas court entered its claim construction order. (Dkt. No. 46.) Accordingly, the transfer is now complete and the Clerk of the Court shall assign a civil case number to the above-captioned case.

The Court is aware that other cases brought by plaintiff in the federal courts of Texas and implicating the same patents-in-suit may be transferred to this District. The parties are reminded of this Court's Civil Local Rule 3-12(b). Any administrative motions to consider whether cases are related should be filed without undue delay but also with a view to minimizing the number of such motions.

IT IS SO ORDERED.

Date: June 11, 2014

YVONNE GONZALEZ ROGERS
UNITED STATES DISTRICT COURT JUDGE
